THE 130: Introduction to Costume Design Response

1. Identify the STYLE of the production:

Support your choice of style:

2. Identify the MOOD of the production:

Support why you have identified this mood:

3. Identify the THEME of the production:

Support this message using example from the text:

4. To the best of your ability, define the CONCEPTUAL APPROACH taken by the production's design team:

In general, how does this approach support the STYLE, MOOD, and THEMES established by the text?

Name: _____ Show: _____ Date: _____

List five different examples of **SUCCESSFUL** choices that the costume designer made to support their interpretation of the script. Be sure to consider your answers to the questions on the front of this sheet.

1.

2.

3.

4.

5.

List three different examples of costume choices that you felt were **LESS SUCCESSFUL** in supporting the interpretation of the script. Again, be sure to consider your answers to the questions on the front of this sheet.

1.

2.

3.

Please complete both sides of this sheet.
